

REGISTER TO COURSES VIA MYHCT MOBILE APP

HCT Students can now quickly register to their courses via their MyHCT mobile app. Prepare your courses and sections to register based on your advised plan and add it to the cart in mobile app. When your time ticketing arrives, you can register in 3 clicks.

- Download **MyHCT app** from App Store or Play Store.
- Open MyHCT App, click on the **Registration link** in the home page.
- **Sign in** using HCT account

- On the Registration search page, enter search criteria and click on Search.
 - Term: 201720 – Spring 2018 (click on the box to default it)
 - Search Criteria: search using course code (e.g.: LSS 1003) or Subject (e.g.: LSS), or course number (e.g.: 1003) or CRN/Section (e.g.: 21356), Course title (e.g.: Life and Study Skills) or any keyword (e.g.: Study Skills)
 - **Refine Search: refine search by selecting your campus and click Done.**
 - After entering search criteria and refining your search, click on **“Search”** button.

- From the search results screen, select the section/CRN that you want to register into by checking the radio button next to it and clicking on **“Add To Cart”** button.
- After you have searched and added required courses to cart:
 - Click on **“Cart”**.
 - Select courses by clicking on radio button next to it.
 - Click on **“Register”**.
- Confirm Registration by clicking on **“Register”** button once again.
- On successful registration, you will get a **“Registered”** message in green.
- Click on **“Registered”** at bottom panel to see all your registered courses.
