ABOUT HCT

كلّيـــات التقنيـــة العليـــا
HIGHER COLLEGES OF TECHNOLOGY

HISTORY

Founded in 1988 with four campuses, the Higher Colleges of Technology (HCT) has grown to be the UAE's largest applied higher educational institution, gaining a well-respected reputation for innovative and job-focused experiential learning.

Approximately 23,000 students attend 16 modern, technology-oriented men's and women's campuses in the cities of Abu Dhabi, Al Ain, Dubai, Fujairah, Madinat Zayed, Ras Al Khaimah, Ruwais and Sharjah. HCT offers a wide range of programs in the academic fields of Applied Media, Business, Computer Information Science, Education, Engineering Technology & Science, General Academic Requirements and Health Sciences.

These programs are all relevant to the UAE's fast growing economy and are designed in consultation with business and industry leaders to ensure that HCT students' skills are job-relevant and to the highest standards. The courses taught at the HCT campuses are a hybrid blend of innovative, academic studies and work-relevant programs, ensuring that HCT graduates have the necessary 21st century skills to make positive and lasting contributions to UAE society. All HCT programs are constantly monitored to ensure they are at the cutting-edge of industry standards and technological change.

VISION

The Higher Colleges of Technology is the leading applied higher education institution in empowering generations to contribute to the shaping of the future of the UAE.

MISSION

Provide applied higher education to equip generations with knowledge, skills and competencies that meet international standards and the future needs of the UAE industry and society.

VALUES

Creativity & Innovation | Accountability | Integrity | Excellence | Respect | Community Spirit | Service to Society

Program Duration:
Bachelor: 4 Academic years

EARLY CHILDHOOD EDUCATION

WHY CHOOSE HCT'S EARLY CHILDHOOD EDUCATION PROGRAM?

The Bachelor of Education program offers students a highly rewarding career and an opportunity to shape the future of their country. Students are prepared with up-to-date knowledge of educational theory, practical, classroom experience & teaching skills.

Graduates are highly qualified, employable, reflective practitioners who have the knowledge and ability to apply theory and use best practice within a classroom setting.

KEY SKILLS:

- Demonstrate and distinguish specialised, factual and theoretical knowledge of teaching and learning principles and concepts
- Apply teaching and learning principles, theoretical concepts and skills to a range of contexts and tasks in a learning environment
- Demonstrate independence in learning and transfer learning to new situations
- Make informed decisions based on individual differences e.g. race, gender, ethnic and cultural perspectives
- Use relevant technology to enhance teaching, learning, assessment and professional responsibilities

ABOUT THE PROGRAM:

Learning facilities:
Classes, workshops, model classrooms, school-based practicums

Requirements:
Minimum 120 credits
Concentration: 24 credits
General Studies: 33 credits
EMSAT 1400 or IELTS Band 6

Job opportunities:
UAE government and private school classrooms, school administration and management

Average salary upon graduation:
20–30K AED

Program Duration:
Bachelor: 4 Academic years

BACHELORS DEGREE
